

Historical Armory is proud to present the
Daniel Boone Historical Edition Rifle

The Daniel Boone Historical Edition rifle is the premiere edition in Historical Armory's Frontier Series, produced exclusively by Historical Armory on the American-made Henry Golden Boy .22LR (Model #H004). Featuring original artwork and finely detailed laser engraving, the Daniel Boone rifle superbly illustrates the incredible adventures of Daniel Boone, from his brave service during the French & Indian War to the blazing of the Wilderness Road, from the founding of Fort Boonesborough in 1775 to the Battle of Blue Licks. This unique, rugged, and affordable Henry Golden Boy rifle celebrating the life of Daniel Boone is available now, only from Historical Armory.
